FAQs

What is the Hannaford Fight Hunger Bag Program?

The Fight Hunger Bag Program make it easy for shoppers to support their communities and environment by buying durable, reusable shopping bags. A portion of each purchase goes to a local nonprofit organization focused on hunger relief.

How much does a bag cost?

Each bag costs \$2.50, with \$1 of that purchase going to support a benefiting nonprofit in your community.

What are the bags made of, and where are they made?

The bags are made from 95% recycled materials from either non-woven or woven Polypropylene. They are manufactured in China and Vietnam in factories that follow the strictest guidelines for employment and production standards.

How do you calculate the amount of meals a \$1 donation provides?

We work with local food pantries and food banks to provide nourishing meals to those in need. According to Feeding America, every \$1 donation allows partners to secure and distribute 10 meals to those in need. To learn more, read this article by Feeding America: www.feedingamerica.org/ways-to-give/faq/about-our-claims.

If we have been selected as a monthly beneficiary, do shoppers need to use the Giving Tag attached to the bag to send the \$1 donation to us?

No. If you have been selected as the monthly beneficiary at a particular store location, the \$1 donation will automatically go to you upon purchase. The Giving Tag is only to redirect the \$1 donation to a different nonprofit, other than the one selected to benefit for the month.

How are nonprofits selected as beneficiaries each month?

Every month, leadership at each store location chooses a local nonprofit to be the default beneficiary from the Hannaford Fight Hunger Bag Program. The name of the organization is posted on the reusable bag rack during their benefitting month.

Can I submit my nonprofit to participate in this Fight Hunger Bag Program?

Yes. Hannaford is committed to serving the communities in which we live and work, so if your nonprofit is 501 (c) (3) certified, then visit our Submit Your Organization page (hannaford.2givelocal.com/submit-your-organization) to sign up to participate, or visit our website to learn more about our other community programs.

How do you calculate the number of single-use bags not used?

We estimate that one purchased reusable bag will be used at least six times per year. We also estimate that each time a reusable bag is used it equates to five single-use bags that are not used. This means that for every reusable bag that is sold, 30 single-use bags are not used. We are confident in this assessment, as it is a very conservative estimate compared to other findings.

Where can I buy a bag?

Fight Hunger Bags are available at all Hannaford locations (visit hannaford.com/locations). Look for them at registers and on the reusable bag rack. If you can't find them, just ask a staff member where they are. They'll be happy to show you! To find the Hannaford nearest to you, visit our site. You can also purchase these bags in bulk—they make great gifts for friends, family, colleagues, and group members. Show them you care about them, the community, and the environment! For information on bulk orders, please contact us at hannaford@bags4mycause.com.

When are the donations distributed to the benefiting nonprofits?

We will send donation checks directly to selected nonprofits in the Fight Hunger Bag Program approximately 10-12 weeks after their selected month ends. Nonprofits participating in the Giving Tag Program who earn \$5 or more at any point will be sent their donation checks approximately 10-12 weeks after the close of the month in which the funds reaching or surpassing \$5 were raised. Giving Tag Program beneficiaries who earn less than \$5 throughout the year will be sent a donation check with any remaining balance in our account at the end of the year.

How can I use the Giving Tag to direct my \$1 donation?

When you buy the bag, you'll find a tag attached. Simply follow the instructions on the back of the tag:

- Scratch and reveal the unique code *Note: there are no numbers in the code.*
- Visit myhannafordcause.com within 7 days of your purchase
- Fill out the necessary information on the website form
- Select a nonprofit to receive the \$1 donation

If the donation is not directed within 7 days of purchase, the donation will automatically go to the store's selected nonprofit beneficiary that month.

Does the Giving Tag replace the monthly Fight Hunger Bag Program?

No. The ongoing Giving Tag Program is separate from the monthly Fight Hunger Bag Program. As a monthly selected beneficiary, you will automatically receive any funds from the purchase of the Fight Hunger Bag that are not otherwise directed by the Giving Tag. If you are selected as a monthly beneficiary, you will be notified. The Giving Tag provides an ongoing opportunity for shoppers at any store to direct the \$1 donation to the nonprofit of their choice at any time.
